[05:49:10 pm] CarlinJ83: i dont wanna miss all this
[05:49:11 pm] Moo2u: No kiddin'
[05:49:13 pm] Morag: a good showreel is essential for getting work in animation, displaying only the best animation you've done to date, and specialising in what you want to be hired for, and then plastering it all over the internet XD
[05:49:15 pm] kuro: :(
[05:49:23 pm] Rafflesia: you aren't going to
[05:49:25 pm] kuro: Then don't leave Carlin

[05:51:04 pm] EasyPeezy: Speaking of cartoons finding popularity online, I hope that Adventure Time gets picked up for a full series.

[05:51:10 pm] Victory1140: Oh, sorry.

[05:51:17 pm] Victory1140: If Hey Arnold was ever brought back into production, do you have any ideas at the moment for a new cast since most of the original cast has probably outgrown their parts?

[05:51:30 pm] SquirrelTamer: Adventure Time?

[05:52:01 pm] DarthRoden: well if they ever allow anymore Arnold stuff somehow then you have lots of people here who would love to work on it with you in some way shape or form
